The last schedule was Monday-Friday leave DFW at 9:30AM, 12:30PM, 3:30PM, 5:30PM and 8:30PM. Be sure to call them for reservations and for the updated schedule.
- Bowie doesn't have a taxi. Give me a call if you need transportation.

Bud & I are getting too old to put on schools using live cattle, but I'm sure you will be well satisfied learning from our excellent videos. It's pretty hard to get that cow to "back up and do it again" when a student misses the cue she sent to you the first time. We don't allow video taping of the sessions, but audio taping is OK.

We're looking forward to seeing you!
